About The Meeting House

We feel God is calling us into a new vision: *Introducing spiritually curious people to the Jesus-centred life through a movement of Jesus-centred churches.* What does that mean? Through our Meeting House parishes and expressions across Southern Ontario and the Jesus Collective network, our desire is to honour God by proclaiming the irreligious message of Jesus and fostering loving communities of fully committed Christ-followers in a way that makes sense for that local context. We are all about Jesus first, which we believe results in our values of peace, simplicity, community, and mission. We are reimagining what it would look like to be a church that is fully activated for mission and engaging the spiritually curious around us. We are committed to evangelism and kingdom growth within our existing footprint and uniting with other Jesus-centred churches to amplify our Kingdom impact beyond our footprint in ways we have not imagined before. We need people who share excitement about this spirit-led vision and want to contribute their gifts, skills, expertise, and heart to this transformation! At The Meeting House, we want to do better. We strongly encourage women and men, and people of all ethnicities and abilities who love Jesus and are aligned with our vision and values, to consider applying for a staff role.

We strive to achieve equality in the workplace, which means no one will be denied employment opportunities or benefits for reasons unrelated to fit for a role. In this way, we are following Jesus in our hiring practices to create a diverse and inclusive workplace reflecting the body of Christ.
